The mission of this program is to live out this scripture by being the hands, feet, and voice of Jesus Christ in this community. We need your help to provide the funds to reach each child in need. Please help the children of our community get the tools they need to succeed.

## Time, Talents, and Treasures

**Moving Forward as Two**  
We have often heard it said that "we are in interesting times." That is certainly true at New Covenant as we celebrate the Lake Deaton Campus taking flight to become their own church. While both campuses have accomplished many objectives together, it is exciting to know that separately, we can spread the Word much farther.

There are many things to be completed in the separation process. Some will be tedious, some will be enjoyable, and yet others will be just plain old hard work.  
During this time, your giving to help our churches to take this big step is very important. It takes roughly \$33 per person per week to meet our church budget and to continue to move His Kingdom forward. We mustn't get distracted and forget our mission.
