

## Small Groups and Ministry Meetings

We have slowly allowed small groups and ministry teams to return to gathering/meeting in the building, however, we continue to encourage small groups to gather/meet in individual homes, through Zoom conference calling or other social media platforms.

To ensure safety for all persons entering our facility, the following protocol for on-site gathering/meeting is being implemented effective immediately and may be changed at any time:

- All gatherings/meetings will be scheduled by the appropriate Ministry Assistant/Coordinator upon approval by the Ministry Director.
- Group gathering/meeting size will be based on room capacity.
- Social distancing in the rooms, throughout the building (hallways, gathering areas), and on the grounds must be observed. (6 ft).
- Masks are required for everyone on campus, for the safety of all persons.
- Hand hygiene should be observed upon entering the building and after each contact with high-touch surfaces.
- Snacks, and any type of food or beverage, will not be provided during the meetings or gatherings.

As we move through this phased approach to re-opening our doors, we encourage you to continue to minister to those persons around you.
