Jesus Heals the Official's Son – John 4:46-54

- What does it mean to you personally to “walk by faith and not by sight”?
- The official did not stop to say anything about who he was to Jesus but instead, just asked for his help. Do you practice that in your prayer time?
- With this particular miracle, why do you believe Jesus said to the official “you people, unless you see signs and wonders you will never believe”? Did this response surprise you?
- When the official heard Jesus’ response, how do you think he was feeling on the way back home to Capernaum? Do you think he planned that Jesus would return with him?
- Have you thought about how the official responded after the word from Jesus? Do you think he became a believer and proponent of Jesus?
- When it comes to answered prayer, do you always accept the answer, even if it was not what you wanted? Share with your group. Do you ask for your plan A but get maybe plan B or C? How do you put walking by faith in action when you are disappointed?
- As Max Lucado says on page 31, “do you find yourself somewhere between Cana and Capernaum”? Do you have an unanswered prayer you have been waiting on?
- After studying this miracle with the official’s son, what is something new or interesting to you as a result of the book or sermon?
