

Follow the Signs; You are Headed in the Right Direction

Sermon Series based on *You Are Never Alone* by Max Lucado

Week 7 – February 13/14, 2021

Jesus heals Lazarus (John 11)

- Have you waited on God for a response and feel like you get the response of “no hurry”? Discuss with your group.
- Have you experienced disappointment with God, and what did that feel like? If you are comfortable, share with your group.
- Lazarus has been in the grave for four days! What emotions are Mary and Martha experiencing?
- What would your response to be to Jesus shouting at Lazarus to come out of the grave?
- Max Lucado positions this from Lazarus’ perspective. How would Lazarus feel about coming back from the dead?
- The old saying is “one thing we are assured of are death and taxes”. Death is a given, but it is not the end. What is the reality for those who have hope in Jesus Christ?
- What is your current view of physical death? Do you have your own personal assurance of the gift of eternal life? If not, will you speak with someone about receiving that gift?
- After studying this miracle of raising of Lazarus, what is something new or interesting to you as a result of the book or sermon?
